The hardware, software and communications equipment used to record wagers, calculate payouts for winning wagers, and transmit wagering transactions and parimutuel pool data for display to patrons and to communicate with other parimutuel systems linked to facilitate common pool wagering.

(5) "Parimutuel wagering." A form of wagering on the outcome of a horse race in which all wagers are pooled and held by a parimutuel pool host for distribution of the total amount, less the deductions authorized by law, to holders of tickets on the winning contestants.

The stored value on a voucher may be redeemed in the same manner as a value of a winning parimutuel ticket for wagers placed at a parimutuel window, a self-service device, or a self-service terminal, and may be redeemed for their cash value at any time.

(2) An association may, with the prior approval of the commission, issue special parimutuel cash vouchers as incentives or promotional prizes, and may restrict the use of those vouchers to the purchase of parimutuel wagers.

(4) Any request for approval of a stored value instrument or system will include all records and reports relating to all transactions, account records, and customer identification and verification in hard copy or in an electronic format approved by the commission.
