WAC 260-20-165 Equine ambulance. (1) A racing association must provide an equine ambulance staffed by trained personnel on association grounds each day that the racetrack is open for racing or training. The ambulance must be properly ventilated and kept at an entrance to the racing strip when not in use. The ambulance must be a vehicle that restricts view of the injured horse and large enough to accommodate a horse in distress. The ambulance must be able to navigate on the racetrack during all weather conditions and transport a horse off the racing surface. The ambulance must be equipped with:

- (a) Large, portable screens to shield a horse from public view;
- (b) A system to facilitate loading an injured horse;
- (c) Adequate means of loading a horse that is down;
- (d) A rear door and a door on each side;
- (e) A shielded area for the person who is attending to the horse;

and

(f) An adequate area for the storage of water and veterinary drugs and equipment.

(2) A racing association may not conduct a race unless an equine ambulance or an official veterinarian approved substitute is available.

(3) The (~~official veterinarian~~) equine ambulance, its supplies and attendants and the operating procedures for the equine ambulance are subject to review and approval by the official veterinarian.
