WAC 260-28-295 Trainer responsibility. The purpose of this section is to identify the minimum responsibilities of the trainer that pertain specifically to the health and well-being of horses in his/her care.

(1) The trainer is responsible for and is the absolute insurer of the condition of the horses entered regardless of the acts of third parties.

(2) The trainer is responsible for the condition of horses in his/her care.

(3) The trainer will immediately notify the owner(s) of any horses in the trainer's care of any pending rule violations involving their horse(s) including, but not limited to, alleged medication violations. Notice to the trainer will be deemed notice to the owner.

(4) The trainer is responsible for the presence of any prohibited drug, medication, or other prohibited substance, including permitted medication in excess of the maximum allowable concentration, in horses in his/her care. A positive test for a prohibited drug, medication or substance, including permitted medication in excess of the maximum allowable concentration, as reported by a commission-approved laboratory, is prima facie evidence of a violation of this rule. In the absence of substantial evidence to the contrary, the trainer will be held responsible.

(5) A trainer will prevent the administration of any drug or medication or other prohibited substance that may cause a violation of these rules.

(6) A trainer whose horse has been claimed remains responsible for violation of any rules regarding that horse's participation in the race in which the horse is claimed.

(e) Promptly reporting to the racing secretary and an official veterinarian when a posterior digital neurectomy (heel nerving) is performed on a horse in his/her care and ensuring that such fact is designated on its certificate of registration;

(f) Promptly report to the racing secretary, when mares who have been entered to race, have been bred;

(g) If a colt or horse has been gelded, promptly submit a completed gelding report to The Jockey Club Office, or report the fact to the racing secretary;

(h) Promptly reporting the serious injury and/or death of any horse at locations under the jurisdiction of the commission to the stewards and the official veterinarian and compliance with the rules in this chapter governing postmortem examinations;

(i) Maintaining knowledge of the medication record and medication status of horses in his/her care;

(j) Immediately reporting to the stewards and the official veterinarian knowledge or reason to believe, that there has been any administration of a prohibited medication, drug or substance;

(k) Ensuring the fitness to perform creditably at the distance entered;

(l) Ensuring that every horse he/she has entered to race is present at its assigned stall for a prerace soundness inspection as prescribed in (~~chapter 260-70~~) WAC 260-70-570;

(m) Ensuring proper bandages, equipment and shoes;

(n) Attending the collection of a hair, urine, or blood sample or delegating a licensed employee or the owner to do so; and
