2024 Annual Report

February 14, 2025

The Honorable Bob Ferguson, Governor
State of Washington
P. O. Box 40002
Olympia, Washington 98504-0002

Dear Governor Ferguson:

The Washington Horse Racing Commission (WHRC) is pleased to inform you that in accordance with the Washington Horse Racing Act, Chapter 67.16 RCW, the WHRC Annual Report for the 2024 racing season has been posted on our website, www.whrc.wa.gov.

The WHRC and its staff recognize that horse racing is an economic and recreational asset to the people of Washington. The racing and breeding industries are a valuable sector of the state's economy and agribusiness.

The mission of the WHRC is to regulate pari-mutuel horse racing and support the development of the equine industry. The goals of the WHRC are (1) foster a regulatory environment that promotes the economic benefits of the equine industry, and (2) ensure that the public has confidence in the integrity of pari-mutuel horse racing.

Data on the key agency performance measures is reported in the annual report, which includes:

1. In-state pari-mutuel wagering;
2. Number of live racing days, including the number of races, number of horse starts, and the average number of horses per race at Emerald Downs racetrack in Auburn;
3. Washington-bred owners' bonus and Washington-bred breeder awards distributed;
4. Advance deposit wagering and the source market fees derived; and
5. WHRC operating revenue.

The horse racing industry continued to face challenges in 2024 recovering from the COVID-19 pandemic and the expansion of the Horseracing Integrity and Safety Authority (HISA). HISA is a private self-regulatory organization created by the passage of a federal Covid relief bill that has developed and implemented rules related to horse racing safety, anti-doping and medication control. HISA assesses fees to the industry to cover its operational costs and these fees create a tremendous burden on the industry. Non-profit racing in Eastern Washington was not conducted in 2024, it is not anticipated they will return in 2025.

The Commissioners and staff appreciate your continued support of the WHRC and the horse racing industry and look forward to working with you to address the challenges that the industry confronts while we work to strengthen its role and sustainability in our state.

Respectfully submitted,

Douglas Moore, Chair

Nonprofit Racetracks' Purse Fund - [RCW 67.16.105](#)

In April 2011 the Legislature (ESSB 5747) amended RCW 67.16.105 to limit purses to the nonprofit racetracks (Class C race meets) to only the one tenth of one percent of the daily gross receipts of all in-state pari-mutuel machines. The legislation eliminated fines, source market fees, and interest on the WHRC operating account as a source of revenue to fund purses at the Class C race meets. In 2024 a total of \$46,905.81 was generated as provided in 67.16.105 for

purse monies. Due to the impact of the COVID-19 pandemic and the cancellation of the 2023 Sun Downs race meet, no non-profit meet has offered racing since 2019 and these funds will be made available in 2025 to any non-profit meet with race dates approved by the commission.

Donohue Fund - [RCW 67.16.102\(2\)](#)

Interest derived from the Owner's Bonus Funds in 2023 are made available to the non-profit racetracks in that offered a live meet in 2024 for maintaining and upgrading their respective racing courses and equine quartering areas. Once again, with no non-profit live race meet conducted since 2019 the funding generated in 2024 will be available in 2025, along with the funds which have not been distributed since the 2019 race season.
