#### **Advance Deposit Wagering - [RCW 67.16.260](#).**

Advance Deposit Wagering (ADW) is a form of pari-mutuel wagering in which a Washington resident deposits money in an account with an entity authorized by the commission to conduct advance deposit wagering and then the account funds are used for wagers made in person, by telephone, or through communication by other electronic means. A portion of each wager, the "source market fee," made by a person whose principle residence is in Washington is returned to the class 1 racing association and the commission. The source market fee is distributed as purse monies, breeder awards, owners bonus, and operating accounts per [WAC 260-49-070](#). The ADW handle was up 5.62% from 2015, while the source market fee was up 0.19%.
